The Gospel Project @ Home

Consider doing this during family worship or before/after a meal together:

Read all or parts of [Genesis 1:26-31](#) and [2:15-25](#) from the Bible, talk about the scripture, pray and do the fun activity or family serve project this week.

More than half—56% to be exact—of adults in the United States still have their favorite stuffed animal from childhood. The love for these cotton-filled animals is so great that many adults still sleep with them! When we love a stuffed animal, we take extra special care of it and we want to have it near us at all times. Do you have a favorite stuffed animal?

As a child might choose a teddy bear to be his favorite, God made people and loved them more than any other part of His creation. Because He loved Adam and Eve, God took special care of them by providing food from the trees and a river for water. He gave them everything they needed.

Most importantly, God showed His love for people by creating them to have a relationship with Him. God walked and talked with Adam and Eve in the garden. God created people to know Him and love Him forever. Even when sin broke this relationship, God would show how much He loves people by sending Jesus to make a way for us to be with Him again.

God created people in His own image and provides for everything He made. People are special because God made people to live forever in a relationship with Him. Through His Son, Jesus, we can have eternal life with God just as He planned.

***Pray:** God, thank You for creating people and providing everything we need. You made us with the ability to know You and love You. Help us to trust in Jesus so that we can know You and have eternal life with You.*

Family Activities:

For Fun

Make a collage from images of different people found in magazines, newspapers, or the Internet. Talk about how each person is unique, and God loves every person and wants to have a relationship with everyone.

To Serve

Read Psalm 139:14 to your family and talk about what it means to be fearfully and wonderfully made. Take turns giving compliments to one another about how God has created them to reflect His beauty and His goodness.
